

Lent 2021 Real Estate Boards (1200mm x 1800mm)

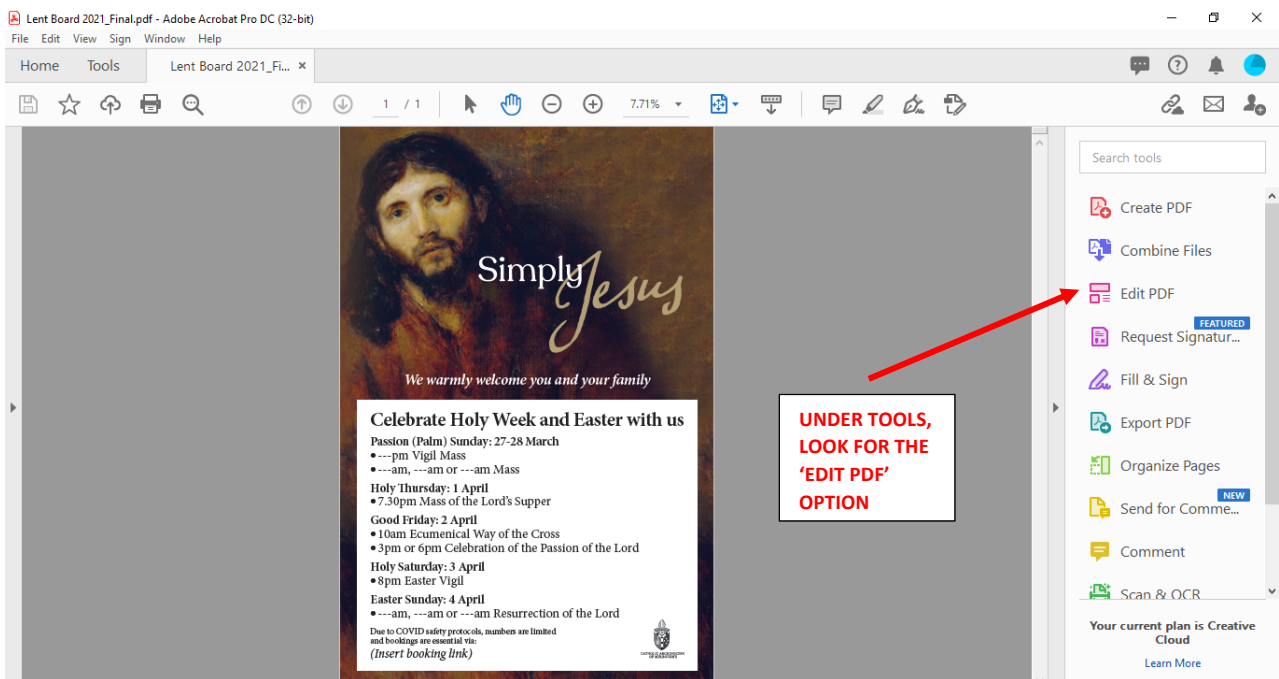

This template has been created to help parishes promote their Holy Week and Easter mass times to their local community. This is a great way to remind the community of the parish's welcoming presence during the Lent season. This template has been created for real estate boards sized **1200mm x 1800mm**. This is a standard wraparound board used by real estate agents. You might wish to speak to your local real estate agent/s to see if they can help organise printing and mounting.

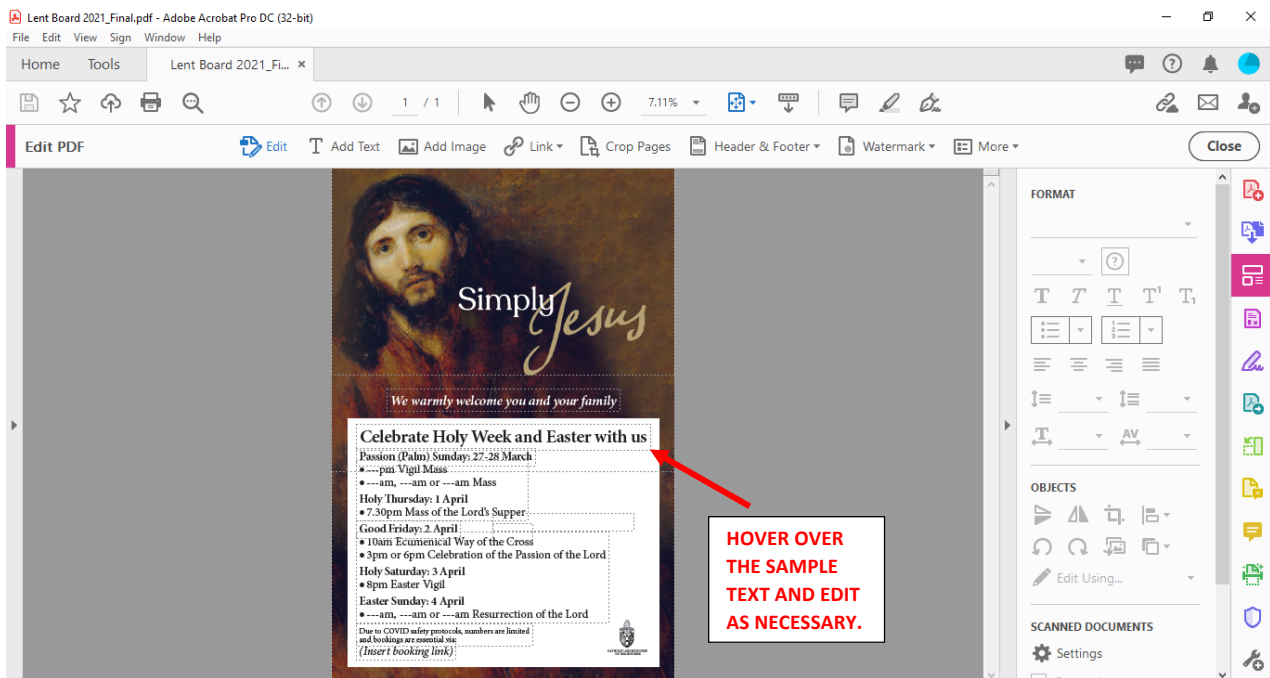

Instructions for editing the template:

Download the design from the [Melbourne Catholic website](#). The artwork is provided as an editable PDF. It is advisable to have the latest version of the Adobe software, which can be downloaded for free from [here](#). Sample text has been provided on the real estate board, which can be edited using Adobe.

To add parish information to the board:

1. To add your parish information in the empty box, open the file in Adobe Acrobat. At the top of the page, look for the **Tools** option. Under **Tools**, go to *Edit PDF*. Now you should be able to hover over the empty space and add text as necessary.
2. When you are ready with your artwork, go to *File > Save As* and label accordingly. It is best to consult your local printer to see what file format and additional settings they will need. Alternatively, you might consult your real estate agent and they can prepare the final artwork for you as they usually use their own printers.

If you have any queries, please contact Proclaim: Office for Mission Renewal at 9926 5761 or proclaim@cam.org.au.
