VICTORIA

We welcome the opening up of our places of worship and opportunities for gathering but remain mindful and respectful that many in our community remain feeling cautious and anxious, and that density quotients will prevent our full communities gathering as they would wish.

For the time being, all Catholics in Melbourne continue to be dispensed from the obligation to attend Sunday Mass until further directed by the Archbishop. We continue to carry the happy obligation to keep Sunday holy, whether we can attend Mass or not, and can do so by any kind of prayer with members of our household and parish, reading holy scripture, and encouraging one another in our faith. Prayerfully participating in online Mass continues to be a great source of comfort on Sundays.

Where applicable, the following Liturgical Guidelines will apply noting the difference in allowances between Metropolitan Melbourne and Regional Victoria

Places of Worship and Religious Gatherings	<ul style="list-style-type: none"> • In Metropolitan Melbourne no in-person gatherings are permitted. Broadcast permitted for up to 5 people. • In Regional Victoria, Indoor (and outdoors) patron cap of 20 people and those workers necessary to conduct the ceremony) <ul style="list-style-type: none"> - Density quotient of 1 person per 4 sqm applies indoors and outdoors. - A COVID Check-In Marshal must be present. • Places of worship must use electronic record keeping through the free Victorian Government QR Code Service. coronavirus.vic.gov.au/qrcode. • Face coverings must be worn indoors and outdoors unless an exception applies. • Hygiene precautions must be maintained at all times. • Places of worship can continue to be open for essential public support services. Essential public support services include food banks, help for people experiencing homelessness or other essential activities. Note number capacity regulations listed above. This means: <ul style="list-style-type: none"> - a service could be held on the grounds of a place of worship or in the car park.

<p>General Liturgical Guidelines</p>	<p>These Liturgical Guidelines are intended to assist Clergy and faithful in the reverent and joyful celebration of Holy Mass while maintaining the health and safety precautions offered through health and government authorities. It is by carefully observing the directives and precautions outlined in this document that the celebration of Mass, even with continued limitations of restrictions, can take place prudently. We look forward to gathering together with all our people to safely celebrate the Eucharistic Sacrifice, but in the meantime, we will follow these guidelines with diligence, using common sense and respect for others.</p> <p>FACE COVERINGS and SANITISING</p> <ul style="list-style-type: none"> • In Metropolitan Melbourne and Regional Victoria - all people must carry a face covering when they leave home unless they have a lawful reason not to. Face coverings must be worn indoors and outdoors, except if at home or if an exception applies. It is recommended that Primary School aged children wear face coverings where possible. • Where worship is permitted, sanitiser must continue to be used regularly throughout the Liturgy, and celebrants must visibly sanitise before and after the distribution of Holy Communion. • For Clergy: A reminder that face coverings must be worn as you enter for Mass. They may be removed during the celebration of Mass but are to be placed back on for the distribution of Holy Communion and at the conclusion of Mass as you process out. <p>SINGING (see reference further below)</p> <p>LITURGY OF THE WORD In Regional Victoria and Metropolitan Melbourne:</p> <ul style="list-style-type: none"> • All participants must wear a face covering when indoors at all times (except if at home) and unless under 12years of age or have a lawful reason not to. • The reader may lower his/her face covering for the readings. This applies as well for the Universal Prayer. • This same direction is extended for a cantor (or singers where further numbers permit): when the cantor is singing, the face covering may be lowered. It must be worn at all other times. <p>LITURGY OF THE EUCHARIST</p> <ul style="list-style-type: none"> • The hosts to be consecrated for the faithful should be placed on a separate Paten (or Ciborium) to the Paten holding the host that the priest will consume. • All concelebrating priests must intinct, thereby receiving the Body and Blood of Jesus Christ. <p>HOLY COMMUNION</p>

The following information is designed to allow for the distribution of Holy Communion at Mass in a safe manner for both ministers and communicants. All liturgical norms that govern the ordinary distribution of Holy Communion are observed in these norms, preserving the integrity of the celebration and distribution of the Eucharist.

Receiving Our Lord in the areas where we may now gather is a moment of great significance and of personal intimacy with Jesus, and the Church wants to ensure it is done with dignity and respect.

The Sacrament may be received without restriction both on the tongue and in the hand at the decision of the person who is distributing Holy Communion. The Archbishop leaves it to each minister distributing the Sacrament to determine whether they feel comfortable doing so on the tongue at this stage. Everyone is asked to be patient – we have a number of clergy and people who are in a high-risk category for their health due to age or other factors, so the lifting of this provision is subject to the minister in each circumstance. Ministers are asked to show care and regard for communicants, most of whom have not been at Mass in any regular way for most of the year.

The following directions are recommended:

The Priest or (minister) and Communicant.

In Regional Victoria and Metropolitan Melbourne as follows:

Face Coverings are to be worn for the distribution of Holy Communion.

- Communicants are only to receive the Host, there is to be no sharing of the Chalice.
- Instructions on receiving Holy Communion should be given to communicants at the time of the Fraction Rite.
- Minister sanitises hands before beginning distribution.
- Each communicant comes forward to a place approximately 1.5 metres away from the minister and removes one side of their face covering and sanitises their hands at a sanitation station provided nearby.
- The communicant then enters into dialogue with the minister: “Body of Christ”; “Amen.” from the 1.5 metre distance.
- Minister places the host slightly above the outstretched and flat hands of the communicant who receives the Blessed Sacrament then steps to the side to place the host on their tongue.
- The communicant replaces their face covering and returns to their seat.
- During the distribution of Communion, if the minister makes physical contact with the communicant, the minister will be required to sanitise his hand thoroughly. For such sanitisation to be possible, a table with hand sanitiser should also be placed in proximity to the minister distributing Communion.
- Minister must sanitise their hands after completing distribution.
- Those receiving Holy Communion on the tongue should be requested to present last. It is advised that sanitation take place between each communicant in this instance.

<p>Singing</p>	<p>Singing is permitted under certain conditions:</p> <ul style="list-style-type: none"> - In Regional Victoria, and where permitted in Metropolitan Melbourne, (funerals and live broadcast), face coverings must be worn by the congregation when singing indoors at all times. This will create difficulties for singing, and congregants should be encouraged to either refrain from singing, or to do so softly. - Face coverings must be worn by cantors or choirs indoors. They may be removed during the period of singing but must be replaced and worn otherwise. <p>Further recommendations when singing can take place include:</p> <ul style="list-style-type: none"> - Singing outside, or in a well-ventilated room (with windows open). - Physical distancing of at least 2 metres between each person while singing. - Short performances (of less than an hour). - Singing softly. - Fans, free standing or ceiling, are not recommended for use in enclosed indoor spaces for singing. Performers should be 5 meters from the audience where practical.
<p>Private Worship</p>	<p>Places of worship may be open for private worship in Regional Victoria</p> <ul style="list-style-type: none"> • In Regional Victoria face coverings must be worn by anyone attending indoor prayer. • There is no specific limit on time for private prayer, but all number caps (20 maximum) and density quotients for Regional Victoria must be adhered to, as well as distancing, hygiene precautions. It is recommended that single use print outs be used, or people should be encouraged to bring their own items of significance.

<p>Penance</p>	<p>In Regional Victoria, First and Second Rite of Reconciliation may be celebrated in line with all applicable density, distancing, and hygiene regulations.</p> <p>In Metropolitan Melbourne, Reconciliation is not permitted in Places of Worship, but may be celebrated as part of care and compassion for an individual in certain circumstances, and for those in danger of death.</p> <ul style="list-style-type: none"> • Face coverings must be worn indoors at all times. • The 15 mins threshold has been removed, and QR Code entry is now mandatory. • If there arises an urgent need to impart sacramental absolution to several people together out of grave necessity (eg. to a group of persons in a hospital setting who are dying from Coronavirus), then permission is to be sought from the Regional Vicar. The provisions of Cans.961 and 962 are to be met and applied for validity.
<p>Confirmations</p>	<p>Confirmations may be celebrated in Regional Victoria in line with all applicable density, distancing, and hygiene regulations.</p> <ul style="list-style-type: none"> - In consultation with the Auxiliary Bishop or Regional Vicar, parish priests are delegated to determine locally whether Confirmation will be conferred within Mass or without Mass. - Locations for consideration include: inside the parish church (according to permitted numbers); outside the parish church (provided due reverence can be observed); or in a suitably prepared and decorated school hall according to the permitted single-class numbers (parents would not be permitted). - Each local community can determine the days and times most suitable for their celebrations. The Office of the Vicar General is to be kept informed of the schedule.

- In consultation with the Regional Vicar, in parishes with large numbers of candidates, a parish priest may enlist another parish priest from a neighbouring parish to assist with some sessions.
- When possible, pastors should provide live-streaming services of the celebration of the Order of Confirmation. This will offer the Confirmandi and families happy memories about this important celebration.

B. The Celebration

- The Sacrament is to be celebrated using the approved Rite of Confirmation (within Mass or Outside of Mass).
- **All participants, including the celebrant, must wear face coverings unless they are under 12 years of age or have a lawful reason not to.**
- Conduct all standard protocols for preparing and sanitising the liturgical space before and after the celebration.
- The Priest is to follow the health and safety guidelines enumerated in the Archdiocesan guidelines for the celebration of the Mass.
- Prior to the start of the liturgy, a small table should be placed appropriately that would hold the Sacred Chrism, a purificator, sufficient cotton swabs (1 for each candidate), and an empty container (with a lid) to act as a receptacle for the disposal of the swab.
- The Priest, the candidate for Confirmation (if over the age of 12), and the proxy sponsor/sponsor are to wear a face covering throughout the sacramental action.

C. Gestures during Confirmation

The Laying on of Hands:

This is to take place by a gesture of extending your hands over and above the heads of the group of candidates to be confirmed, as the Prayer of Confirmation is said. There is to be no physical contact with anyone to be confirmed.

Anointing with Chrism:

- The Sacred Chrism to be used during the Sacrament should be poured into a separate vessel than the one in which the Chrism is kept. The vessel must be sanitised properly before use.
- The Priest is to sanitise his hands prior to the anointing with Chrism.
- A single-use cotton swab, dipped into the Chrism, must be used to anoint. There is to be no physical contact with the one being anointed. The tip of the cotton swab is used to anoint on the forehead. The cotton bud is to be immediately disposed of after each single use in the container provided. A new cotton bud is to be used for each person to be anointed.
- The Priest should use sanitiser as often as needed.
- Any leftover Chrism in the vessel should be disposed of in the liturgically proper manner. It should not be returned to the container in which the Chrism is usually stored.
- If needed, more Chrism can be obtained from the Cathedral in the usual way.

Gesture of Peace:

The gesture of peace (e.g., handshake, the touching of the cheek), no longer envisaged in the current Ritual, is to be dispensed with entirely. The gesture is not to take place. The words of the exchange of peace, however, are still to be said.

	<p><i>Other Actions:</i> All other gestures or symbolic actions involving physical contact or sharing are not permitted (e.g. lighting of candles; presenting of symbols for confirmation; issuing of certificates; etc.).</p> <p><i>Sponsor/s:</i> If the density quotient for a church does not allow large enough numbers to be present, it is encouraged that one proxy sponsor stand in the place of the sponsors for all the candidates to be confirmed in a single Liturgy. If adequate spacing and capacity allows, each candidate may have their individual sponsor present along with family. The sponsor is to remain near to the one to be confirmed, but no physical contact is to be made. The sponsor is not to place their hand upon the shoulder of the one to be confirmed and must wear their face covering at all times unless they are a member of the household.</p> <p><i>Other Considerations</i></p> <ul style="list-style-type: none"> - If pictures are requested by the Confirmandi for their families, it should be taken in a planned and orderly manner so as to observe physical distancing at all times. - Simple gatherings after the celebration of Confirmation may take place and must follow the directives under Social Gatherings. - When recording in the Register the name of the priest who has confirmed, note is to be made of the delegation granted by the Regional Vicar, if appropriate. The same applies in notifying the Parish of Baptism of the one confirmed. It is the Sponsor's name, not the name of the proxy sponsor that should be registered.
Livestreaming	<p>In both Regional Victoria and Metropolitan Melbourne, technicians are included in the number limits and must adhere to density quotients and distancing. Face coverings must be worn indoors.</p> <p>In Metropolitan Melbourne, livestreaming is permitted for up to 5 people.</p>

Following Government directives for Community Facilities and for Places of Worship, gathering on Church Sites can take place under the following. Please note that Weddings and Funerals are exceptions:</p> <ul style="list-style-type: none"> • In Regional Victoria the density quotient of 1 person per 4 sqm for the space applies if a COVID CHECK-IN MARSHALL is used, otherwise the density quotient of 1 person per 4 sqm must be applied with a maximum cap of 20 people per space. • Mandatory QR Code record keeping must be in place. • Face coverings must be worn indoors at all times. <p>Food or drink may be served at such meetings or gatherings, for example providing congregants with tea, coffee, and refreshments. It is</p>

	recommended that single use items are used to serve food or drink, and that only designated people serve or distribute food or drinks. (For example, one designated person uses the urn to dispense hot water for tea, or one person serves food using tongs and gloves). No self-serve buffet-style set ups should be used.
Public Gatherings in Public Spaces	<p>In Regional Victoria up to 10 people are permitted from across multiple households, friends and/or family, outdoors. Infants under 12 months not included in the cap.</p> <p>In Metropolitan Melbourne Permitted for personal training for up to two people plus the trainer; for social interaction for up to two people from separate households; and for up to five people from two households if all persons aged 18years or older have received two vaccine doses.</p> <p>A public place means an area that everyone can access, for example a local park or the beach. Face coverings must be worn outdoors.</p>
