

Pilgrims of hope

YEAR OF JUBILEE 2025

Embark on a transformational and spiritual journey in this year of Jubilee

As we set out on pilgrimages this Jubilee year, let us remember that every step echoes the deeper pilgrimage of the heart. The theme of this year's Jubilee calls us to embrace hope—a hope that springs from the cross of Christ, where suffering was transformed into salvation. It is an invitation into renewal and reconciliation.

May the pilgrim path you travel this Holy Year renew your spirit, strengthen your faith, and deepen your hope and God's blessing guide your every step.
