

CATHOLIC ARCHDIOCESE OF MELBOURNE

## **Stipends Principles 2022**

**8 December 2021**

## Purpose

To promulgate the stipends principles applicable to the Province of Melbourne for 2022 as approved by the Bishops of the Province and the Victorian Leaders of Religious Institutes.

The Bishops have approved these principles, with the right for further negotiation for those in parish ministry in view of the impossibility of many parishes to meet the recommendations.

## Principles

The Standing Committee on Religious Stipends has considered recommendations in respect of the level of stipends applicable from 1 January 2022 and makes the following recommendations.

- a. That the stipend payment shall be \$60,515 pa, being 85% of the mid-point of the Melbourne Archdiocesan recommended rate of pay for a lay Pastoral Associate Grade 1 as adjusted for 2022.
- b. The 10% allowance to Religious Primary School Principals shall remain unchanged.
- c. Pro rata payments shall be applicable and calculated based on the full stipend.
- d. Where a fully maintained vehicle with usage for other purposes is provided, the paying entity shall be free to negotiate a discount of the stipend payment.
- e. Parties shall be free to negotiate an agreed rate if financial circumstances inhibit the payment of the full stipend. The minimum stipend to be paid is two thirds of the 2022 stipend (\$40,343).
