

greensleeves

greensleeves

Sunday, September 21,
3:00pm

Newman College
Chapel

887 Swanston St,
Parkville

Greensleeves explores the way that the colour green has pervaded music over the centuries. A symbol of jealousy, envy and beguilement on one hand, and peace and fertility on the other, the colour has long inspired composers and songwriters. Joining the *Choir of Newman College* is the *Newman String Quartet* to perform music from traditions as diverse as Irish ballads and Beach Boy songs to three exquisite classical renderings of 'The Lord is my shepherd'.

Featuring

Joseph Haydn
Franz Schubert
Thiele & Weiss
Paul Kelly
Brian Wilson
Joni Mitchell

'The Heavens are telling' from *The Creation*
Der Gott ist mein Hirt
What a wonderful world
Middle of the air
Vegetables
Little Green
