OF FAMILY DOMESTIC VIOLENCE

All Welcome

SUNDAY 28TH NOVEMBER 2021

2.30pm

We hope that in-person attendance will be possible for this service. However, we realise that due to the pandemic it is likely there will be restricted/unpredictable numbers allowed.

The service will be live streamed for all who cannot attend in person for whatever reason. Therefore, it is necessary to [RSVP](#) and this will allow the organising committee to keep you updated with appropriate links for online access and timely information on COVID safe in-person attendance. Further information is also available [here](#).
